IMPORTANCE Necsa
PLACES ON NUCLEAR SAFETY
AND THE STEPS WE TAKE TO PROTECT YOU,
AT OUR VISITOR CENTRE.**

THE Necsa VISITOR CENTRE IS A WALK-THROUGH EXHIBITION CENTRE AT Necsa.

Our main purpose is to inspire and teach the public about the nuclear sciences and to encourage students to pursue a career in science. There are regular seminars at the centre to give the public a better understanding of how nuclear science really works. For bookings or more information contact Princess on 012 305-5266 or visit our website at www.necsa.co.za
