

MORE KNOWLEDGE,
MORE POWER.

THE NECSÁ VISITOR CENTRE IS A WALK-THROUGH EXHIBITION CENTRE AT Necsá.

Our main mission is to inspire and teach the public about the nuclear science and the associated industries in a safe and secure manner. This is our regular business at the centre to give the public a better understanding of the nuclear science reality world.

For knowledge of more information contact Pretoria tel 012 301 6266 or visit our website at www.necsa.co.za
